My dear Mr. Webb:

Reference is made to memorandum from the Bureau of the Budget dated 29 October 1947, Subject: "Legislative liaison representatives in the various departments and agencies."

It is requested that the above memorandum be amended to designate Mr. Walter L. Pforzheimer, Assistant General Counsel, 2430 K Street, NW, extension 735, as legislative liaison officer of the Central Intelligence Agency, instead of Colonel Shannon.

It would be appreciated if this correction were published.
